

“Beyond Being Brave”

“For God gave us a spirit not of fear but power and love and self-control”

(2Timothy 1:7)

A great opportunity for Women to come together and share life situations.

Through scripture, stories, prayers and thought-provoking questions, you will share a journey with God and other Women.

A collaborative journey guided by your goals, aspirations and dreams for your life.

We are a team, you will learn to: Identify places you may be stuck in old patterns that no longer serve you.

Step out of your comfort zone and move forward into a life of greater passion, service and meaning.
